Nikhil, you
will prioritize finding
the Shard witch.

If the sea witches
are correct, it'll turn
the tides of life as
we know it.

We will need
her help if we are
to predict what will
happen and
prevent it.

It's true! It

The Blood Moon Ball will continue as planned. There's no use causing panic until we figure out what will happen.

take a bit to decipher.

So you can
do it later, riiggghhhh??

No, now go
back to your dimension.

But, but -

*Time.
Spoilsport.*

Send your Master
